PRICE LIST 2018-19

Since 1892, our family has been passionate about Hospitality and 2018 marked a dramatic transformation: the renovation of over 70 rooms, the restaurant, the Lobby and the Spa area.

The spaces have been completely reconceptualized and designed; we have lovingly chosen every detail over months of studying and planning, as usual considering our Hotel like a home - a great, welcoming and warm home, where luxury is subtle and service is discreetly present, where even furnishings are designed to welcome and pamper you with their colors and materials.

We poured our heart into these new spaces, and we are delighted to open them to you so you can have a total relaxation experience.
